**Candidate for Member-at-Large**

- Tell us about:
  - a. Your professional background and experience

I am currently in my 4th year as general music teacher in the Isaac school district. I have a Bachelor's degree in Music Education with an emphasis in choral music as well as a Masters degree in Music teaching and learning.

- b. Your musical background and experience

I have been singing in choirs since 2006 including: High school honor choir, regional honor choir, Glendale Community Colleges' Vocal Ensemble, concert choir, vocal jazz, and community choir, Arizona State University's concert choir, as well as multiple years of voice lessons.

- c. Other volunteer organizations you belong to and are active in

For the last two years, I held the position of Camp Director for the Boy Scouts of America. In this position I managed the first-ever merger between the 1st and 2nd largest camps in the State of Arizona. I initiated and oversaw the inaugural merge with female scouts. With limited notice, I assumed the position to direct 5,000+ Scouts and 110 staff so that youth and adults could have an educational and safe camp experience. I also oversaw daily operations, including 17 program areas, human resources, financials, and reported to off-site council as well as communicated messages to on-site staff daily

- d. Leadership positions you have held in Orpheus and other volunteer organizations including, but not limited to, Board positions, committee chair/co-chair roles

I have been part of the production crew for set up and tear down of concerts since I started with Orpheus. I am currently a member of the digital production committee as well as the music section leader for the

bass section where I lead online sectionals leading up to our first in person rehearsal.

- Are you interested in Board leadership positions in Orpheus? (At Large board seat; Secretary; Treasurer; Vice President/President Elect) Why?

I am interested in the member at large position. I have been with Orpheus a few years now and feel like my background in music and professional life can bring some positive change for the choir.

- Are you interested in joining a standing committee as a member or Chair? (*Development; Investment; Membership; Outreach; Production; Social*)

I am currently in two committees as well as my role as music section leader. With that said, I have ideas for committees that I would like to bring to the table to improve the choir.
